Thank you for purchasing the atomi Qi Wireless Charging Dock, Apple Watch Charger + Qi Wireless Pad + USB Port

Ideal for your nightstand, the atomi Qi Wireless Charging Dock provides 3-in-1 charging to power your essential devices while you sleep.

A 7.5-watt wireless charging pad that provides the fastest wireless charging speed for iPhone alongside a 5-watt magnetic charging module that powers your Apple Watch.

An additional smart USB-A port that allows you to simultaneously charge another device like an iPad, AirPods or a power bank, to create a three-device charging station all from a single AC outlet.
