## Safety Information

1. Read these instructions carefully for best use.
2. DO NOT use the Power Pad near water or expose it to rain or moisture.
3. DO NOT use the Power Pad near open flames, such as candles, heat sources, radiators and stoves.
4. Only clean the Power Pad with a dry cloth.
5. Caution: Risk of electric shock. Grounding continuity must be maintained.
6. For connection to a supply not in the U.S.A., use an attachment plug adapter of the proper configuration for the power outlet, if needed.
7. Please check, if the output voltage and current of the power supply is suitable for the product prior to use.
8. Children should be supervised to ensure that they do not play with the appliance.
