# Thank you for purchasing the atomi Charge Station Signal

When you have multiple devices, keeping them all powered up and untangled while charging can be a challenge.

Not anymore! The Charge Station Signal not only delivers the quickest charge to 4 USB devices at once, it keeps them divided, organized and safe while charging.

Plus, the indicator light will let you know when your devices are ready to go!

## Safety Information

1. Read these instructions carefully for best use.
2. DO NOT use the Charge Station Signal near water or expose it to rain or moisture.
3. DO NOT use the Charge Station Signal near open flames, such as candles, heat sources, radiators and stoves.
4. Only clean the Charge Station Signal with a dry cloth.
5. Caution: Risk of electric shock. Grounding continuity must be maintained.
6. For connection to a supply not in the U.S.A., use an attachment plug adapter of the proper configuration for the power outlet, if needed.
7. Please check prior use, if output voltage and current of the power supply is suitable for the product.
8. Children should be supervised to ensure that they do not play with the appliance.
